

STREET SWEEPING PARKING ENFORCEMENT

Do you have issues on street sweeping days?

Do cars remain parked on your street, preventing the street sweeper from doing its job?

DO SOMETHING ABOUT IT!

- Call the Orange County Sheriff Department's non emergency number 714.527.9100 and request that a citation be issued to the offender(s).
- E-mail the RCSD at rcsd@rossmoor-csd.org

The Rossmoor Community Services District pays R.F. Dickson to perform street sweeping services on the first and third Monday of every month between the hours of 8:30 a.m. and 4:30 p.m. Parking is prohibited on local streets during street sweeping hours as authorized by California Vehicle Code Section 22507.6.

Exempt from this Resolution are commercial service vehicles when actively employed in performing that service and dumpsters which are permitted to be temporarily placed on local streets.

Those who violate the no parking rule make it impossible for the street sweeper to do its job as effectively as possible and prevent the District and its residents from obtaining the full benefit of this service.

The County Sheriff is not always available to enforce parking issues as they are attending to more urgent matters. It's up to YOU to make them aware of the problem. Keep track of dates and times that your street has been neglected because someone refused to move their vehicle.

Take Action!

This message has been brought to you by the Rossmoor Community Services District. For additional questions about street sweeping, please see our Frequently Asked Questions page.
